

References to Figure 8, in the examples (page 62) were corrected to refer to Figs. 7A-F which corresponds to the description in the "FIGURE LEGENDS". Also, reference in the example to the "left", "middle" and "right" panels is consistent with Figs. 7A-F.

Reference to Figure 8, which illustrates data from aggregates as stated in the FIGURE LEGENDS was also inserted into the text at page 62 describing these results.

Similarly, reference to Fig. 10, in the example at page 63 which describes the time course for development of Ia antigens was amended to refer to Fig. 9 which is also properly described in the FIGURE LEGENDS.

Reference to Fig. 10 which illustrates pulse/chase data and which is described in the FIGURE LEGENDS was inserted in the corresponding portion of the example at page 64.

None of these amendments constitutes new matter and applicants respectfully requests their entry into the application.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment, to Deposit Account 13-4500, Order No. 2016-4000US5.
